The comparison charts are compiled using information that applies to a large number of health plan users and is commonly reported by the health plans. Depending on the chart type, such as charts for dental and vision plans, certain information and/or sections won't appear because the necessary data isn't available. If you have questions about a topic that isn't covered in the charts, contact the plan's member services department for additional information. Cintas Corporation is not responsible for the accuracy of this information. If there is a discrepancy between the information displayed on these charts and the official plan documents, the official plan documents will control. Cintas Corporation reserves the right to amend, suspend, or terminate the plan(s) or program(s) at any time.
